

# EXPRESS BATHROOM CLEANING CHECKLIST

## THE SINK AREA

Tidy up the counter tops. Wipe the mirror with a Glass Cleaner or use a bit of water on a microfiber cloth. Spray an All Purpose cleaner on chrome and polish with a microfiber cloth. Scrub the sink with the Scrubbi & some baking soda; wipe dry. Wipe the countertops.

## THE TOILET

Spray the inside of a toilet with an All Purpose cleaner, and sprinkle some baking soda on top. Give the bowl a good scrub with a toilet brush. Close the lid and flush.

Spray the rest of the toilet with the All Purpose cleaner and wipe the toilet tank, the flusher, the lid, the seat and all around with a paper towel. Work from top to bottom!

## THE BATHTUB/SHOWER

Remove all the bottles from the shower/tub area. Spray an All Purpose cleaner all over the tile. Then give it a good scrub with a sponge from left to right, from top to bottom. For glass shower doors, spray diluted vinegar and let sit before scrubbing. Polish the chrome. Spray

All Purpose cleaner all over the tub and use Magic Eraser to get rid of soap scum. For extra abrasion use baking soda. Rinse the walls & glass. Use squeegee on both for extra shine.

## THE DETAILS

Dust & polish the towel hangers, racks, toilet paper hanger and other accessories such as frames or shelves.

Change the hand towels & fold neatly. Vacuum the floors & baseboards. Wipe the baseboards. Wash the floors. Take out the garbage. Enjoy your clean space!
